After progressing quickly through karting and school series, Taylor made his debut in the GRAND-AM Rolex Sports Car Series in 2008. Taylor and co-driver Bill Lester piloted the Autohaus Motorsports Chevrolet Camaro to a runner-up finish in the 2011 Rolex GT championship, just two points short of the title. Taylor is currently pursuing a business marketing degree at the University of Central Florida in Orlando, Fla. He is one of the WeatherTech Championship's most avid users of social media. Remains an avid go-kart competitor.
